

September 15, 2025: On the Objective of Influence

The problems are continuously being misplaced as this same group of people continues to set its own hooks and lures to reel in the political branches to their personal will of more power, more money, and less freedom for We, the People.

The real solution: arrest Freemasons for participating in an organized gang of international crime. Period. That is your first and foremost objective of fixing this problem.

Secondarily, control oneself from intaking their media and their influences. This group of psychopaths is attempting to run military PSYOPS across our life every second of every day.

I am honestly presenting to the world that I am being monitored within a gang of criminals that is spying on me and attempting to actively manipulate and control my life whether I am aware of it or not. Remove these evil demons from my screen (and neighborhood) and remove their content from your own life. I am sickened at the fact that these trashy spies are receiving the attention that they are receiving from humanity.

(Yes, a powerful engine is revving its way around my house right now at 12:23am to express their 'power' to me inside of my home as I draft a political opinion to simply post publicly for anyone to retrieve and read)(Imagine me 'ramming' this down anyone's throat day and night! EAT IT! EAT IT! EAT IT! Elon and Donald: That's what you are to us. You're rapists.)

This gang of criminals is using military technology to take our life, our freedom, and our community from us in a systematic war against our sovereignty.

THEIR MISSION IS TO CAPTURE US INTO SLAVERY AND WILL AGITATE US TO DESTROY ONE ANOTHER TO ACCOMPLISH THEIR OBJECTIVES. (SEE ISRAEL, SEE RUSSIA)

FEED THE PEOPLE WITH NOURISHING WISDOM ABOUT THESE EVIL PLOTS RATHER THAN FEEDING THE PEOPLE A PRE-PACKAGED SOLUTION BEING PEDDLED BY THE SOURCE OF OUR PROBLEMS. SPARE US YOUR 'LAWS' AND - INSTEAD - FREE OUR MINDS FROM THEIR ENSLAVEMENT!

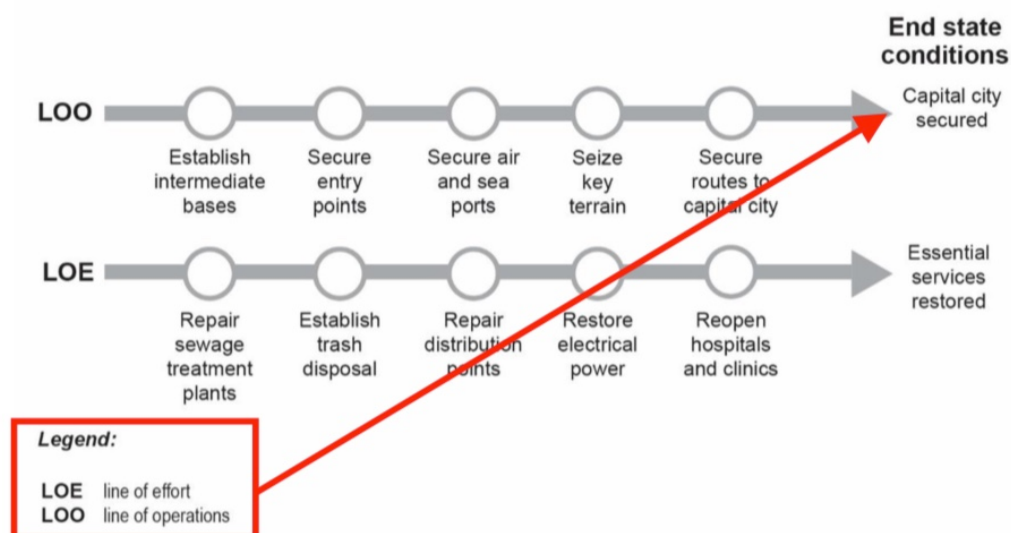

Figure 3 – Sample line of operations and line of effort (From ADP 5-0)<sup>11</sup>

### Intermediate Objectives in the Influence Context

### 1984 (10/11) Movie CLIP - Your Kind is Extinct (1984) HD

Elon Musk, Donald Trump: It is time for you both to find something else to do with your time. Your 'influence' is unwanted. Your 'ideas' are old, and tired. 'Your kind is extinct.'

(You're fired. Please don't make us call .. SECURITY! Seriously, Feds, these two are the ringleaders of a treasonous group of spies that are attempting to extort me and hold me in a false imprisonment that is subjecting me to a forced private nuisance.)
